REPORT OF THE SUPERINTENDENT AND DIRECTORS

January, 25, 1947

To the Citizens of Rutland Town:

In submitting the annual report of your school department reference is made to respective tables as a source of information needed in studying the problems with which we must deal.

Trends and Costs

Reasonable salary increases were granted the teachers when they were contracted for the current year. A state and national trend toward higher salaries has been a factor in granting the teachers a cost-of-living bonus, effective January 1, 1947; \$200 each, included in subsequent monthly payments for the balance of the year. The present Legislature is likely to establish a new salary minimum with increased state aid to compensate in part for higher salary costs to towns.

The past year has witnessed higher costs in fuel, texts, supplies, and various services, which may be even more evident next year. Transportation is costing more because more pupils are being carried and new routes had to be run. Grades seven and eight are transported to the Center School to relieve overcrowding at Haiti. It was found practicable to use only one room, hence one teacher, at Dyer for this year.

As building costs become more favorable, and materials again are available, the question of improving the Post and Mill Village schools will need to be studied, prior to some consolidation or relocation of buildings.

A new state law may be passed that will allow high schools to charge as much as \$125 per pupil, effective in the school year 1947-1948. Our budget estimates do not include an increase to cover such a change, amounting to about \$3,000. Since this might cause hardships to many towns paying tuition, some provision to raise the amount of state aid for that purpose is likely to be included in the laws.

Teachers

Music supervision, after the first two weeks of school in September, was suspended in anticipation of the return of Mrs. Alice Nichols, following her prolonged illness. It is hoped that the work may be resumed next year.

Miss Catherine Moriarty of Rutland was appointed to the Mill Village position following the resignation of Miss Josephine Burke at the end of the last school year.

Mr. Leonard Johnson of Center Rutland similarly replaced Mrs. Norma Myers at the Center Rutland School.

The Rutland Town Teachers' Association has been actively studying the revision of text books in plans to change books outmoded by the war.

Building Maintenance

A minimum of painting and repairing was done during the past year to keep the school plants in suitable condition. Changes to the heating plants were made at the Center, Haiti, and Mill Village schools. Some special attention to water supplies and plumbing have been necessary.

School Notes

Center Rutland—The PTA has contributed much to the welfare of the school, and has sponsored a hot lunch program. It made possible a trip to Burlington for the Safety Patrol members. The traditional community Christmas supper was well attended; a prize speaking contest took place in June; two 4-H members were sent to 4-H Camp; and the Association plans purchase of a motion picture projector to enhance audio-visual aids as of value in present classroom teaching.

Among varied activities at the school the 4-H girls help with noon lunches; pupils doing soap-carving and clay-modeling learn to make a study of repetition and alternating design; a unit in modern designing has been taught; and some have studied mural and landscaping work.

The teachers have carried on music work, with emphasis on development of individual abilities. In music appreciation the older children have had detailed study of the symphony. All participate in folk dancing, note reading, rhythm, rote singing, and a study of folk music. The "Peer Gynt Suite," by Edward Grieg, was dramatized; and at Christmas the newly organized boys' choir sang during presentation of the traditional Christmas Nativity.

The school participated in the annual art exhibit displayed in the Fleming Museum at Burlington. Three pupils won awards for their displays. A local school exhibit turned the assembly

room into a museum of handiwork, curios, and articles depicting contributions of many nationalities, during one week in December.

Four separate 4-H clubs have been active at the school, with teachers aiding in the leadership. Two junior and two senior groups working together won a first award for their booth exhibit at the Rutland Fair.

Cheney Hill—The Cheney Hill PTA is sponsoring nursing service as a part of the school's health program. Mrs. Hoadley, R.N., visits the school once a month. Her work in checking up the children is supplemented by classes in health education conducted by the teacher. Before the end of the school year it is planned to have each pupil given an opportunity to gain dental corrections through a special clinic. Mrs. Viola Fish, as teacher and PTA president, is assisting Mrs. Hoadley in carrying on this worthwhile project, and in maintaining proper records to evaluate its results.

Dyer—Special efforts to improve reading on the part of the pupils has been made possible by the fine variety of books at school and by getting much reading material from the Rutland Free Library. Twelve pupils make regular trips to the public library for books, and all are able to go there Saturday mornings to see free educational motion pictures.

Improvement of child health is a primary objective. Though home life may contribute its share, the school is teaching children in general health, safety, and hygiene. Teeth care, bodily cleanliness, and good health habits are included in daily teaching. Work by the teacher in testing eyes and ears has been supplemented by experimental workers from local welfare facilities. Those with eye defects will have all received corrections when one more pupil obtains glasses. Eight pupils have had dental work completed.

Special work in art has been a means of acquainting pupils in proper selection of values. Useful articles may be chosen from among many which, though attractive, have little economic value. Six children sent drawings to the annual Fleming Museum exhibit.

Community events at school have included the annual Christmas exercises, a Valentine party, Easter program, Memorial Day exercises, annual school picnic, and a Hallowe'en party.

Good citizenship among the pupils is one of the goals of their school teaching. Participation in Junior Red Cross, a response to the clothing drive, schoolroom committee work, and taking part with School Patrol responsibilities, are some of the ways it

may be practiced. All are urged to take pride in keeping the school grounds clean and to help care for school property.

Haiti—The Haiti Community Club has a membership of seventy-five. With proceeds earned from socials and entertainments they have done many things for the benefit of the school. The lawn has been graded and grassed over. A new cement walk was laid in front of the building, and a cement flag-pole base was built.

Construction changes inside have resulted in an enlarged kitchen, with plans being carried out to improve the heating of the dining room and kitchen. A movable coat rack and cloak-room rubber racks have been furnished.

The Club has donated \$50 for school reference books and a globe; and have furnished an electric clock, an electric plate, and six card tables as new equipment.

Mill Village—Activities of the PTA have continued to support noon lunches and to create a reserve fund for use in anticipation of a new school at some future time. With the resignation of Miss Josephine Burke, teacher for several years, Miss Catherine Moriarty, of Rutland, was appointed as Miss Burke's successor.

Post—The Post Parent Teachers' Association has a 100% membership this year. From the funds received through various community socials and entertainments it has been able to continue the summer round-up for pre-school children, and a dental clinic, which included all the pupils. Special books for the school library have been supplied and some recreational materials. The Association won twenty dollars, first prize, for the best booth at the Rutland Fair.

Educational Aspects

The present school curriculum offers the following subjects in grades 1 to 8: language arts, which include reading, writing, spelling, grammar, composition; arithmetic; social studies, which include history, geography, current events, Vermont History, citizenship; science; health; music; and art. Standard tests serve to check progress in most of the above subjects, at least all but the last three mentioned.

To further enhance educational development of the children in respective schools we should ultimately incorporate greater use of the following mechanical equipment: 16 mm. motion picture projector; film-strip projector; F.M. radios in each class-

room; and a mechanical eye testing machine to supplement the present audiometer, which is used for ear testing.

Within ten years television is very likely to be employed as a regular part of schoolroom technique. Consolidation of schools in rural areas elsewhere have been the means of making mechanical aids practicable.

Class tours by special groups of pupils in a school-owned bus, or a chartered bus, is a recent means of getting pupils acquainted with their home state, its historical and industrial history, and its future opportunities for youth who are induced to make their permanent homes there. Though this method is used more in junior-senior high schools, it might well include our pupils of grades 7 and 8, the junior high age group.

A few parents have asked that we consider the feasibility of allowing the 7th and 8th grade pupils to attend junior high school, with tuition paid by the Town, that they might have the educational advantages said to be superior in the junior high school.

To meet current school expenditures for the next school year, an increased tax is recommended, exclusive of any additional rate which might need to be raised if tuition costs increase.

We express our appreciation to the teachers and all other individuals and groups who have aided in the welfare of Rutland Town's program of education.

Respectfully submitted,

ARTHUR W. HAWLEY,

MRS. DAVID DICKINSON,

MRS. CHARLES RUANE,

School Directors,

FRANK O. STILES,

Superintendent of Schools.

Respectfully submitted,

SHERWIN L. WILLIAMS,
R. C. BUCK,
HARLEY J. BLAKEY,
Overseers of Poor.

VERMONT OLD AGE ASSISTANCE DEPARTMENT

120 STATE STREET

MONTPELIER, VERMONT

For the information of your taxpayers the customary annual statement is presented for your Town Report.

Payments of Old Age Assistance to persons applying from your town amounted to \$3,950.50 during the year January 1, 1946 to December 31, 1946. Payments for funeral expenses \$205.00.

The number of recipients in December, 1946 was 14; monthly payment \$373.50.

The maximum payment which can be made by this department is \$40.00 per month. In October, 1946 we were able to make payments above \$30.00 for the first time. This was due to an appropriation of \$50,000 by the special session of the legislature and a temporary change in the basis of federal matching. Congress authorized the Social Security Administration until December 31, 1947 to reimburse the States \$10.00 for the first \$15.00 paid. For the balance of the payment the old fifty-fifty matching basis is still in effect.

Many increases were made to meet cost of living budgets. Grants are practically up to date on current investigated applications. Intake has increased and is now on a prewar basis of about 100 applications per month.

Average Grant, December, 1945	\$23 38
Average Grant, December, 1946	29 14

This department has always received a high degree of cooperation from local officials and interested individuals. On behalf of the agency I extend thanks.

Very sincerely yours,
W. L. SEWARD,
Director.

HEALTH OFFICER'S REPORT

During the past year the following communicable diseases were reported.

Chicken Pox	1
Measles	12
Mumps	13
Scarlet Fever	4
Whooping Cough	9

Respectfully submitted,
CARLTON L. CHAMPINE,
Health Officer.

ROAD COMMISSIONER'S REPORT

1946

WARNING

The legal voters of the Town of Rutland and the Town of Rutland School District are hereby warned to meet at the Town Hall in Center Rutland on Tuesday, March 4, 1947 at 10 o'clock A.M., Standard Time, to act on the following matters, namely:

1. To see if the Town will empower and authorize the Selectmen to appoint one or two Road Commissioners.
 2. To choose all necessary officers required by law.
 3. Shall the Selectmen act as Overseers of the Poor?
 4. To see if the Town will vote to raise money by tax, or otherwise to pay current expenses of the Town, Overseer of Poor, Highway, County and Fire Protection Taxes. If by tax, how much?
 5. To see if the Town will vote to raise money by tax, or otherwise to pay current expenses of the schools. If by tax, how much?
 6. To see if the Town will appropriate three hundred dollars as requested in a communication from the Board of Trustees of Rutland Free Library, to secure the use of the Rutland Free Library to inhabitants of the Town.
 7. To see to whom and when the several taxes shall be due and payable.
 8. To see if license for the sale of malt and vinous beverages shall be granted in this Town.
 9. To see if spirituous liquors shall be sold in this Town.
 10. To see if the Town will authorize the Selectmen to borrow money for the temporary use of the Town.
 11. To see if the Town wishes to take advantage of the extra \$25.00 per mile granted to Towns, by the State provided the Towns spend \$25.00 per mile of their own money on Town roads, outside of winter maintenance. This applies to No. 101 of the Acts of 1937.
 12. The question of Town Officers' salaries, raising taxes, what provision the Town will make for the higher education of the scholars of the Town, and any other article unable to be voted on by the Australian Ballot will be taken up at 1:30 P.M. Standard Time by acclamation from the floor as has been our custom in the past.
 13. To see if the voters of the Town will appropriate \$200.00 to be used in cooperation with the State and Federal Funds for controlling the spread of White Pine Blister Rust within the Town.
 14. To see if the Town will vote to secure the services of the Rutland City Fire Department.
 15. Shall veterans of World War 2, who are students be exempt from Poll Taxes for the year 1947.
 16. Shall the Selectmen of the Town of Rutland be authorized to install four street lights on Woodstock Avenue in Town of Rutland.
 17. Shall the Town School District pay the tuition for their 7th and 8th grade pupils wishing to attend Meldon Junior High School?
 18. To transact any other necessary legal and proper business.
- The polls close at 3:00 P.M. Standard Time.

Rutland, Vt., February 8, 1947
Grand List \$16,768.05.

SHERWIN L. WILLIAMS,
R. C. BUCK,
HARLEY J. BLAKEY,

Selectmen.
